

Health and Safety Policy

At Ronez Ltd. we conduct our business in a manner that leads to creating a healthy and safe environment for all stakeholders (employees, contractors, customers and the communities we operate in).

We are committed to conducting our business sustainably and commit ourselves to the following:

- Providing safe, healthy and secure working conditions for employees and contractors with a target of zero harm
- Communicate openly with all stakeholders on relevant health and safety issues
- Ensure employees are competent to do their work through providing information, instruction, training and supervision
- Comply with applicable legal, regulatory and industry requirements

Contents of the Health and Safety Document

To enable us to manage and fulfil these commitments we will continue to maintain, update and improve our Health and Safety Document.

The Contents of the Health and Safety Document include (but is not limited to):

- Management Structure and Appointments
- Risk assessments, including procedures and guidance on managing the following: Asbestos, Control of chemicals, articles and substances (COSHH), Confined spaces, Display screen equipment (VDUs), Electrical Management, Excavation and Trenching, Fire Prevention, Hot Works, Guarding, Isolation and Lock-off, Lifting Operations, Legionella, Lone Working, Manual Handling, Noise, Pressure systems and Stored Energy, Stress and Wellbeing, Structural Surveys, Traffic Management, Vibration (HAVs), Working at Height, Working Near Water.
- Training Records
- Maintenance Systems for Plant and Equipment
- Records of Communications
